

CANNINGTON ACTIVITY CENTRE

Group Leaders Information Sheet

Medical & Participant Information

For each participant the following information **must** be available at all times and may be individually checked by instructors prior to kit issue.

- Consent to take part in proposed activities, signed by parent, guardian or carer if under 18 years of age
- Emergency contact name and numbers for duration of visit
- Medical details including possible pregnancy and food allergies
- Any specific medical instructions to follow in an emergency
- Any disabilities or impairments
- Consent to use photographs for promotional purposes by you and Bridgwater College.

The above details can be collated using the Cannington Activity Centre consent and medical information sheet or by using your own admin procedures.

The group leader will need to brief instructors on any important medical conditions that they need to be made aware of to ensure the health and safety of the group.

Centre staff cannot be held responsible for managing any health and safety issues of participants that they are not informed of prior to activities taking place.

'Participants' are defined as anyone taking part in any, or all, activities and includes members of staff should they wish to participate.
